Addressing the Cost Issue of Running the Club

"Why Can't I Get Free Pizza Anymore?"

I'd like to address an issue that has recently come up from some of our members.

"Why is our club asking for more contributions for participating in events and why doesn't the club provide free pizza anymore?"

In the last 20 years, the club has raised membership dues only once from \$50 to \$55 per membership. Over the past few years, our membership has stayed fairly constant at around 50 to 60 memberships.

However, our costs of running the club have gone up substantially since then.

For instance, when the club was first organized, board members met in person in an HP provided conference room. Now board meetings are done via teleconference which cost approximately \$400 a year.

In the beginning, we did not have a website. The cost to Wild Apricot to host the website is approximately \$600 a year.

I don't know what the price of pizza and soda was 20 years ago, but I'm guessing it was considerably less than it is now.

Previously, some of our club sponsors either provided some limited funding or donated merchandise that we could raffle off. We no longer have any corporate sponsors that donate funds, and it is very rare that we receive any free merchandise.

Message from the Board (con't)

By Paul Wesolowski

From time to time, the club still sponsors (or absorbs losses) on some events. At times, this is out of our control due to rising gas prices or unforeseen circumstances. Sometimes it's a conscious decision to create more club participation. For instance, the club holiday party charge is only \$8 per member. Did you know that it actually costs closer to \$16 per member to run this event? This is why the club is stressing more membership-only events.

So that leaves the board with a choice. We could either raise our membership fees to cover all costs, or scale back on what the club can provide at some of our no cost or low cost events.

I hope that this sheds some light on cost expenditures and answers some of the questions many of you may have had. If you have any suggestions or ideas on how to improve this issue, please feel free to contact any board member.

See you at the Holiday Party on Saturday, December 7!

Cheers,

- Paul Wesolowski, Vice President

Vieira's Camp and Watersports Weekend - August 9 - 11, 2013

By Paul Wesolowski

Back on [August 9 – 11](#), an enthusiastic group of [24 participants](#) headed out to [Vieira's](#) to enjoy camping and watersports, making this the most attended event on the water this year by our members and guests!

With [five ski boats](#), we decided to conduct an experiment this year to try to keep the costs down. We structured the event with an event fee to cover the fixed costs of the camping fee of \$650, tow gas, launch fees, and boat slips. The club absorbed the additional costs (loss) but we felt it was worth it since so many people enjoy this event. As much as the club tries to keep event costs down, the price of campground fees, launch fees, bridge tolls, and gasoline is not within our control!

[This new pricing experiment](#) allowed participants to pay for boat gas separately when they rode in the boat or skied. We even asked boat owners to contribute and they gave their approval, knowing that the fixed price of a camping event is quite high compared to a simple day event.

In year's past, [Pat and Larry Wolf](#) have joined us when they lived in Alameda. However, this year was very special as we [celebrated having them, their granddaughter Hailey, and her friend Izzy join us from Oregon](#). Pat started the tradition at Vieira's 16 years ago and chaired or co-chaired this event almost every year since. We'll miss them in the club but they've assured us that they'll try to make Vieira's again next year!

Our traditional pot luck on Saturday evening was a hit as usual and folks had a chance to socialize all weekend with old and new friends.

If you've never been to a Vieira's event, you've really missed out as this is our most popular event on our calendar.

We even had a new member join us, [Whitney Cary](#), who unfortunately had [a wakeboard injury](#). She suffered a concussion and had to receive 5 staples in her head. Fortunately, we had two nurses present (Solange and Valerie), as well as others (Russell, Jim, and others) who helped to stabilize her and get her back safely, insuring that she was ok (thanks to everyone who helped out). Despite all this, Whitney is doing great and remains in the club, even stepping up to volunteer as Secretary next year!

**We will surely miss you, Pat, Larry and Hailey!
Until next year.**

All in all, it was a great event and we look forward to seeing even more of you there next year!

Special thanks to my co-chairs Cynthia and Pat, and our boat owners, Russell & Solange Schultz, Kathy Brewington, Darrell Langstaff, Mick McCullough, and Whitney Cary.

Pro Am Slalom Ski Tournament Results - September 13 - 15

By Larry Ligon

The 11th annual Pro-Am slalom tournament kicked off with over 100 amateur and pro skiers from around the globe competing on Sept. 13, 14 & 15 in its new location at the historic Bell Acqua slalom lakes situated in Rio Linda just North of Sacramento.

With warm but comfortable weather, members of the BAWSC Sacramento contingent; Paul Wesolowski, Cynthia Atherton and Whitney Cary joined Bay Area members Chris Feduniw, Gwen Cauthren, Darrell Langstaff, and Larry Ligon to cheer on Sunday's final head-to-head competitors.

On Saturday, special thanks to the BAWSC Dock Starter volunteers that provided ski rope and handle operations at the skiers' dock: Darcy Murray and Darrell Langstaff (*getting up very early to cover the first morning shift*), Natalya Pinchuck, Chris Feduniw, Gwen Cauthren and Larry Ligon with Jim Jardine observing.

BAWSC received generous publicity as a sponsor when the tournament was broadcast live via webcast around the world and broadcast cameras regularly captured images of our centrally displayed BAWSC banner along with honorable mentions by the announcers. BAWSC calendar sales (created by Alyssa Feduniw) and individual member sponsorship donations helped contribute to the success of this tournament.

Spotted in the Master Craft tent was the 2014 revolutionary, new Master Craft slalom boat design as well as a restored Rob Shirley designed Master Craft from its first production year in the early 80's.

The Sunday head-to-head slalom skiing kicked off at 9 AM with Scott Larson winning the Master Men's competition rounding 5 balls at 39 ft. off the ski rope.

Next up was the Open Women's category with 8 skiers in the head-to-head matchups at 34 MPH. World record holder Regina Jaquess, in three successive rounds, beat Bailey Austin, April Coble-Eller and Whitney McClinktock with a final pass of 1 ball at 41 ft. off the rope to win the Diablo Pro-Am. Along the way she brought the crowd to their feet when she tied her world record of 3 balls at 41 ft. off.

California Coastal Clean-up Day - Saturday, September 21

By Chris Feduniw

Delta a Little Cleaner Thanks to BAWSC Volunteers!

On Sept. 21, six volunteers from the Bay Area Water-Ski club participated in the annual California Coastal Clean-up day along with over 51 thousands volunteers in the state. This year we partnered with the Discovery Bay Yacht Club and the Friends of Marsh Creek Watershed to clean-up the levees on the East side of Discovery Bay. Besides the normal food wrappers, bottles, cans, old fishing tackle some of the stranger items we collected on the levees that could have ended up in the Delta water was an old engine alternator and some of those things teenage couples leave behind after parking at the end of a dirt road watching the submarine races. We spent just under three hours gathering trash and filled three large dumpsters worth of trash and recyclable material. *For our time Chipotle gave everyone a voucher for a free burrito that I thoroughly enjoyed later that week.* The Coastal Commission has reported that over 251 tons of trash and recyclables were collected that day that would have washed into our streams, lakes, ocean, and what BAWSC cares the most about the Delta. You can read more about the State results at: <http://www.coastal.ca.gov/publiced/ccd/ccd.html>

After we finished the clean-up portion of the day we then headed over to Larry & Gwen's Discovery Bay Home for lunch and what was supposed to be followed up by an afternoon of skiing. Unfortunately while we were enjoying the nice day on Larry and Gwen's deck we saw these dark clouds heading over Mt. Diablo our way and just as we finished eating lunch it started dumping rain. While Larry had his boat still under cover and protected in his dock, yours truly had driven his boat to their house that morning and had the fun of driving back to Holland Riverside Marina in pouring rain. I couldn't believe how much water got into the boat in that short-time and how soaked I was when I arrived at my dock. Luckily I had my gym bag in the car and was able to get into dry clothes before returning home. Needless to say no one got to ski/board that day but we were all glad we volunteered for the event, enjoyed meeting people from the Yacht Club and Friends of Marsh Creek.

I would like to thank my co-chair Natalya Pinchuk for doing all the coordination with the Coastal Clean-up Commission and setting up the partnership with the Yacht Club and Friends of Marsh Creek. Thanks also goes out Larry and Gwen for opening their home for us to eat lunch and get shelter from the afternoon rain and all six people who volunteered their time to clean-up the Delta.

Next year's Coastal Clean-up Day is Sat. Sept. 20, 2014 so please mark your calendars now so you can volunteer next year for this very important event to keep our Delta Water-ways free of Trash.

BAWSC Volunteers Honored at Ski & BBQ - Saturday, October 12

By Gwen Cauthren, 2013 BAWSC President

On **Saturday, October 12**, we held our **second annual Volunteer Appreciation Ski & BBQ event**, hosted at the Ligon home in Discovery Bay. As President of the BAWSC, I wanted to **recognize and thank all the members that contributed to the success of the club in 2013**.

In January the board put together a calendar of events that included 29 events to be held during 2013. These events included socials/general meetings, watersports days, houseboat trips, weekend camping trips, and a holiday party. When I reviewed all the folks who participated in one way or another to making these events successful, I was thrilled to see that we had **34 different individuals volunteer from a total of 53 club memberships**. That means that **64% of the memberships volunteered**, and the number of volunteers were **up ~21% over last year** when we had 28 volunteers. What a great club!

Whitney, Jim, & Steve:
"Shall we try to play a game now?"

I also wanted to recognize several members that supported the club in the greatest number of activities. So, we had a little ceremony to honor and thank the top 3 contributors with certificates and tokens of gratitude.

3rd place went to the dynamic duo of Paul Wesolowski & Cynthia Atherton.

2nd place went to **Chris Feduniw**.

1st place, "**Volunteer of the Year**" went to **Ralph Rast**, who was on the board, chaired or co-chaired 8 events, brought his boat to 7 events.

Paul & TK, "Does watching the BBQ make it cook faster?"

Nate Smith Breaks Men's Slalom World Record!

By Larry Ligon

On September 9 at a tournament in Covington, Louisiana, [Nate Smith](#) set a new slalom world record of 2 ½ balls at 43 ft. off the ski rope and 36 MPH by breaking Chris “the Tower” Parish’s long held record of 2 balls at 43 ft. off.

At 43 ft. off the 75 ft. slalom rope, it is 5 ½ ft. short of reaching the turn buoys if you are able to ski to a perpendicular position in line with the boat's tow pylon.

Twenty-two-year-old Nate Smith is 6' 2" tall compared to Chris Parrish at 6' 5".
