Various Observations of One-year Member

Since joining BAWSC on June 9, 2012, I have been in various positions ranging from a non-boat owner member, to boat owner, to BAWSC Board Member, to chair of various ski day events. As an active participant in these different roles, I thought it would be interesting to offer the following observations and ideas for the members and officers to consider:

First of all, I love the BAWSC and its members!! They are a rare group of people who are avid watersports enthusiasts. Most are highly-skilled skiers, wake boarders, bare footers, and/or air foil riders. Some even do all of these watersports! I've witnessed several tournament-level skiers, amazing wakeboard stunts by Jim Jardine, and highly-skilled boat drivers. As an added bonus, I've met several BAWSC members who are also very advanced snow skiers or snow boarders (I guess they can't stop carving or sliding on some form of water!)

Over the year, I've noticed most of the BAWSC events are usually attended by the same members. I love to see them, chat with them, and watch them ski, wakeboard, etc. However, I wonder why the majority of BAWSC members don't attend more often. I also notice it's usually the same boat owners (only a handful of them) who volunteer their boats despite many more who are listed in the club rooster.

Because I love BAWSC so much, I would like to help it grow its membership. I've encouraged various friends to join, and I even created a special website to attract new people to BAWSC events over the summer. Obviously it's important for the club to not only gain new members but for all members to participate in club events and help grow

the club. BAWSC does not try to make a profit. In fact, many times the costs of the watersports events exceed the enrollment fees and the club pays the difference. Moreover, all those who actively participate in BAWSC as board members, chairs, co-chairs, website manager, newsletter editor, class instructors, boat owners, etc. are all ***volunteering their time and equipment***. Thus, ***no one is making any money from the club***. We are just trying to arrange fun watersports events for the members.

Another area I would also like to contribute my efforts is helping the club lower event costs but the reality is: ***boating is expensive!*** An ***efficient boat uses 20-40 gallons of fuel per day***, plus towing, slip, or launch fees, plus ***annual boat maintenance of ~\$300-\$700/yr.***, plus trailer maintenance, plus tow vehicle purchase & insurance, plus boat purchase & insurance. Thus, even when I volunteer my boat for a BAWSC event and my fuel costs are paid, ***my day of skiing costs much more than anyone paid for their event fee***. The true boat operating costs listed in this paragraph when averaged over the hours of use per year (usually about 100 hrs/yr) is more than \$40/hr. Please note: ***renting a ski boat costs \$400-\$700/day plus fuel (per 7 Star Rental in Stockton)***. However, I will be working with the BAWSC board members to find ways to reduce the fees for BAWSC events. ***But this will require more members to participate in club events.***

I have many more thoughts, but I'm out of space allotment for this article. In closing, is it better to ski in fashionable baggy long shorts which create much water drag or to be out of fashion by wearing a sleek, form-fitting Speedo that has ***no*** water resistance? You be the judge!

See you on the Delta!

Watersports Day - August 17, 2013

By Lynette Wong, Roving Videographer: Natalya Pinchuk

On Saturday, August 17, a small group of 7 waterskiers hit the waters of Orwood Marina for another fun day of watersports. I flew solo as chairperson since my 'co-captain,' Darcy Murray could not join us due to getting heatstroke (another reminder for all of us to stay hydrated!)

We were fortunate to have perfect weather (not too hot!) and glass-like conditions were upon us in the morning and everyone took advantage of getting in as many ski runs as their bodies would allow!

Check out Natalya gracing the waters!

After we skied in the morning, we were ready to take in some good grub so we gathered at Orwood's famous restaurant to fuel up and chat with one another.

Lingering over a lengthy lunch, it was time to get back out on the water for our afternoon ski runs. We consolidated our crew into Mick and Val's boat since new boat owner, Ciro Sepulveda strained his back and would not be able to ski any more runs (hopefully, he's doing better!)

There goes Mick....

Luckily, there were minimal winds and we were able to ski on fairly smooth water. When everyone had their fill of skiing, we called it a day.....of fun skiing!

*Darcy and I would like to extend a big thank you to **boat owners, Mick McCullough and Ciro Sepulveda** for volunteering their boats. I would also like to thank my co-chair, Darcy Murray for her great help!*

Important Announcement

BAWSC Election of 2014 Officers Coming in October!

By Paul Wesolowski

Hello BAWSC Members:

We're gearing up for the election process for our 2014 BAWSC Officers taking place next month in October.

There are four vacant officer positions which are voted on by our membership - President, Vice President, Treasurer, or Secretary. This is a great opportunity for you to get involved in the club next year and help guide the club as we enter our 21st year.

As a number of officers will not be returning to their current positions, it is vitally important that we get some new people involved in order to continue the club.

Please contact me, Paul Wesolowski, calfskier@yahoo.com if you would like your name to be included on the October ballot.

Let me know which position - President, Vice President, Treasurer, or Secretary - you would like to be considered for. Currently, we only have one officer expressing interest in returning to their current position of Treasurer.

Please note that the board now meets by teleconference which makes it convenient for you to be an active officer or board member of the club. It only requires a time commitment of 1 to 2 hours per month for board meetings and **it's rewarding as you get to help select which events and policies the club should adopt going forward.** The new board may also consider new options on how the club conducts general meetings, the length and frequency of future board meetings, how often and where.

I would encourage you to contact any of the existing officers/board members if you have questions about the position and what is involved as several of the current board member are past presidents and/or have been board members/officers of the club for well over a decade.

If you are interested in seeing the BAWSC continue to operate into 2014, can facilitate a meeting and have ideas on how the club can better serve our members and community, then **please consider submitting your name as our next BAWSC President.**

Also, if you would like to be considered for a position on the 2014 Board of Directors, please contact me as well so we can gauge how much interest there is from the current membership for board positions. The Board of Directors will be selected by the 2014 elected officers.

Assuming we get someone to express interest in being President, the official election/voting will commence the beginning of October and run through the end of October. The current board may also be submitting some bylaw amendments for the general members to approve. If you have any suggestions on bylaw amendments, please contact one of the existing board members. Bylaws are posted on bawsc.org in the member area.

*Thank you,
Paul Wesolowski
2013 Vice President*

**The way Wild Apricot handles multiple people under one membership is called a [Membership Bundle](#). A membership bundle is a group of members who are linked together and managed by one of their members – the bundle administrator.
